

Attendee Know Before You Go

CE CREDITS

You will receive a copy of the Convention Yearbook at Registration Check-In. This will show you the CE credits assigned to each course. Make sure to **scan in** for each course to receive credit, as well as turning in your completed evaluation form prior to leaving the show. A total of 12 hours of CE credits will be provided if attending both days. If you have any questions on which courses you need to attend to obtain certain credits, please ask the FGWA Staff at the Convention Registration Desk.

CREDIT CONVERSION AND LICENSE RENEWAL

Onsite at the Convention, you will have the option to convert your CE credits. You DO NOT have to wait until the end of the show to do this. You can convert your hours at any time. Also onsite will be Water Management Districts to assist with license renewal.
